---

To the Honorable **Sylvia H. Rambo**, Judge and Chancellor of the District Court  
Of the United States for the Middle District of Pennsylvania

**Notice to the Court: Rebutted Presumptions for the Record**

1. The attached “**Amended Complaint for the Enforcement of Private Trusts**” is completely, and in its entirety, Non-Statutory. Plaintiff’s purpose and intent is that the Chancellor, sitting in non-statutory, exclusive Equity jurisdiction, should settle all matters involving private, non-statutory trusts.

**Private**

**Priority**

**Proprietary**

**Urgent**

2. Plaintiff is a Non-Statutory Private American National Citizen protected under Section 1 of the Fourteenth Amendment to the Constitution of the United States of America. Plaintiff's citizenship status is not defined by any statute of the United States Code, but defined exclusively and only by the Constitution.

3. Plaintiff is proceeding In Propria Persona, not Pro Se.

4. Plaintiff's name is **Eric Jon: Phelps**, not "ERIC JON PHELPS."

5. Plaintiff has invoked only the Constitutional, judicial jurisdiction of this Court sitting in Equity as granted by Article III, Section 2, subdivision 1.

6. Plaintiff has not invoked any post-1938 statutory jurisdiction of this Court.

7. Plaintiff's cause of action arises entirely from a Non-Statutory Breach of Private Trusts. Therefore the nature of the action is Non-Statutory. Title 28 USC 1983 has nothing to do with this case and its entrance on the docket was a clerical mistake made by the Clerk of Court. On December 3, 2015, at the time of filing the original pleading, "**Box 890: Other Statutory Actions**" was checked, Mr. Walsh having stated that a box under "Section IV: Nature of the Suit" had to be checked. Plaintiff should have objected at the time and now corrects the record.

Respectfully submitted,

*Eric Jon: Phelps*
